**Key Stage 5 Enrolment**

**Key Stage 5 entry requirements**

Students wishing to study in the Sixth Form must achieve **five grade 4's (including English and Maths)**. If they have failed Maths or English, then they can re-sit if they have other grade 4 passes**. Students wishing to study a purely vocational pathway need to achieve five grade 4's including English and Maths.**

**If a student wishes to study A-Levels, then they must have at least 3 grade 5 passes and two grade 4 passes at GCSE including English and Maths.** Subject specific entry criteria also need to be met as outlined below.

**If a student wants to study a combination of vocational and academic subjects**, **then a minimum of two grade 5 passes and three grade 4 passes must be achieved including English and Maths**. Subject specific entry requirements must also be met.
